Dear President, Dear Marko,

Congratulations on your 12 years of service as President Tennis Slovenia.

You have accomplished quite a bit during your volunteer service to growing tennis in Slovenia. During your presidency you have been able to implement grassroots development that has resulted in one top 100 ATP player and three top 100 WTA players motivating more junior players to take up the sport of tennis.

When you took over as President, the federation was facing financial challenges and you were able to bring sponsorship and financial stability to Tennis Slovenia. Your support of the ITF initiatives and our Davis Cup reforms were very important over the last few years and we appreciated your spirit of collaboration.

I hope that you remain close to the federation and again thank you for your service to international tennis.

Kind regards

David Haggerty
