

Wash your hands

Wash your hands with soap and running water when **hands are visibly dirty**

If your **hands are not visibly dirty**, frequently clean them by using alcohol-based hand rub or soap and water

Protect yourself and others from getting sick

Wash your hands

- after coughing or sneezing
- when caring for the sick
- before, during and after you prepare food
- before eating
- after toilet use
- when hands are visibly dirty
- after handling animals or animal waste
